

# Truth of Truth

(From Divine Discourse 22<sup>nd</sup> November 1970)

## Units should have no contacts with cheats

Embodiments of Divine *Atma!* This Bhaarath land is the centre of spiritual progress for ages past and the region where Divine incarnations re-establish *Dharma* for the good of humanity. In order to make known My majesty and My glory as the Divine that has Incarnated, miraculous happenings of an amazing nature do take place in certain areas. Taking advantage of the attraction that those happenings draw upon them, many misuse them for personal propaganda and aggrandizement. They trade for money the *vibhuthi* (sacred ash) that the pictures in their altars shower! They go about pretending that they are "superior devotees" of a higher order and conferring boons and blessings on the innocent folk whom they fleece. Others put forth false claims that *vibhuthi* is emanating from the pictures of Baba in their homes, that *Amrith* (nectar) is dripping from them or that material objects are falling from them, like written answers to questions. *Samithis* and other Units should have no contact with such cheats and crooks. Any one who is attached to such or who encourages such can be immediately removed.

There are others who claim that I am speaking through them, and answering questions put to them. These people must be either insane or hysteria-affected or they are possessed by some ghost or by the greed to earn money thereby. I can only tell you that it is not I that speaks through them. I do not need media; nor do I need substitutes or subsidiaries or representatives. There are some crooks who are publicising that I have allotted them some regions for ministration by them on My behalf, because, they say, My devotees have increased so much that I am unable to attend to all of them, single-handed! On the face of it, this is an absurd lie. Moreover, consider another aspect.

## Evil forces try to draw away aspirants

Even those who cry in pure agonising yearning, Sai Sai Sai, and lead pure unselfish virtuous lives, even these find it hard to realise Me; how then can these low scheming vulgar men who know no *Sadhana*, sincerity, truth and humility, how can these people claim that they have been blessed by me? They may wear the same style of dress, imitate gestures and style of speech but these will only bring their falsehood into greater prominence. That I am supposed to "possess" such people or speak through them or shower My Grace on them is an assumption of which one ought to be ashamed! How then can anyone believe it, I wonder. Evil forces which design to damage or diminish the faith and devotion of the simple and the sincere do emerge into action and try to attract attention by devious means. They try to draw away aspirants from the spiritual path into worldly paths of avarice and malice. There is a big chasm of difference between the *Sai Shakthi* (Sai Power) and these inferior *shakthis*. Since the opportunity has now offered itself, this has to be said.

There can be no limit for *Sai Shakthi*, no hindrance, no opposition or obstacle. You may believe it or you may not, but *Sai Shakthi* can transform earth into sky, the sky into earth. Only, there is no call for that transformation. This Divine Behaviour is far distinct from the mean exhibitionistic tricks of the inferior *shakthis*. This is spontaneous manifestation; those are

calculated to collect customers and exploit the ignorant. The inferior *shakthis* may imitate the dress or the gestures, for imitation cannot be prevented. But you have to ask yourselves the question: "Can all green feathered birds be parrots? Or, can all worms on petals turn into butterflies? Or, can a donkey wearing a tiger-skin become a tiger or can an overgrown boar be honoured as an elephant?" Beware of being cheated by dress or speech or by tricks. Nor need you feel angry or upset by these.

## **Falsehood can never become Truth**

For Truth is ever Truth. Falsehood can never become Truth, whatever its tactics. This is the very embodiment of Truth. It has no unreality or falsehood in its composition. But, those afflicted with jaundice can see all things only as yellow. Those who have no appetite or digestion find even delicious food, bitter. Such men may proclaim this in their own manner, as different from what it is; but I am not in the least perturbed nor will I change.

Others who are taken to be elders have posed certain problems, to confuse the mind. Krishna, they say, showed many wonders, with amazing disregard of the Laws of Nature and therefore, according to them, Krishna had to meet his death from the arrow of a hunter. Jesus, they say, suffered crucifixion for, he too manifested many miracles. Their argument is that since I am defying the laws of nature, I too will suffer likewise. They plan to create panic and spread false alarm. But, these are the prattling of weakness, helplessness and envy. These can never be Truth. They only plan to decry and diminish the glory they cannot understand or tolerate. Whoever may join in this campaign, whatever tactics they employ, even if all the 'fourteen worlds' unite as one, they cannot succeed; they cannot affect Me in the least. And, even if ten more worlds, say 24 in all, lend them their support, their falsehood will not be accepted or established as Truth.

## **Do not allow your faith and devotion to decline**

Truth can never be tarnished or turned into falsehood. You may be subjected to all kinds of pressure and publicity; but, do not lose courage, do not allow your devotion, faith and steadfastness to decline. Resolve to achieve success in the *Sadhana* you have taken upon yourselves. Then, this Sathya will reveal itself, without fail, as your own *Sathya* (reality). I do not depend on outer manifestation and actions; I am related to you through the inner principle of Love. If you are to be drawn by outer attractions, advertisement is imperative. For example, if such a Conference or such a Celebration is held in any other place, invitations have to be printed and sent out; personal requests have to be made so that this person or that can attend.

Considerations have to be held forth to many so that the invitations may be accepted and the function made a success. But here in the Prasanthi Nilayam, no invitation has ever been printed and distributed on any occasion, asking people to come. No one has been specially requested to take part. It is Love, the invitations of the Heart to the heart, that has brought you in tens of thousands to this place. The validity and value of Love are proved by you; Love is the most potent of My powers.

When you light a lamp in your home, you have to go round the homes of others and invite them to come and admire it. But when the Sun rises in all its splendour, there is no need to draw the attention of the world to the event. This is the splendour of the Sun. It will itself command

attention. No one need be invited to notice it. Of course, it is only natural that doubt may arise in you on some occasions based on My form or My words or My action but, when you are eager to know My reality, you must observe in action My teaching and follow Me. Then, certainly, My Divine Reality will be revealed to you. Having looked at this form through your eyes only, you start guessing and concluding, as your wavering fancy dictates, and lay waste your intellectual and mental efforts; you even allow your devotion and faith to flow into wrong channels. I am advising you against this, with the force of a command.

## **No generation is more fortunate than the present one**

Swami Kaarunyaanandha declared yesterday that he believed for a long time that those who lived in previous Ages were far more fortunate than those of this Age, since they could secure the *Darshan* (direct sight) of the Incarnation of the Lord. But he said, it has now become clear to him that there is no generation more fortunate than his; that declaration is true. It is thrice true. For during no previous Age did man have this unique chance. No organisation of this nature was established, no Conference of this character was held in the Presence and no opportunity was given then to derive *Ananda* through such close association, through conversation and singing together. Undoubtedly, you are all singularly fortunate. Therefore, do not let the opportunity slip through your hands. Hold fast to it and make the best of it. With steady faith and enthusiastic devotional activity, tread the path indicated and reach the

Goal of Realising the Reality.

I bless you that you may attain the Bliss of that Realisation.
