Bhagawan Sri Sathya Sai Baba's 87th Birthday Celebrations*

“The Source of Happiness”

● 23rd November 2012, Kobe ●

“Happiness is actually natural to all human beings. We don't need good fortune or any new circumstances to be happy, we don't need material goods, fun activities, success or power. It's possible to be happy without any reason at all, because happiness is just there, inside us, in the same way that the sky and the air are outside us.

Many spend their lives looking for happiness in external objects without realizing that it's nearer to them than anything else: in our own being. Once we turn our attention within and change ourselves rather than our circumstances, we will realize that Happiness was and always will be with us. Happiness is union with God. If you want to be happy, join God.”

- Sri Sathya Sai Baba
