

OM SRI SAI RAM

JOINT KANSAI SADHANA CAMP ON 1st OCTOBER, 2016.

“God is one’s greatest and closest friend. He is interested in one’s real welfare while worldly friends are influenced by one’s position and wealth, only as long as these last.

Nature is the best teacher, heart is the real Guru and God is the only friend. The relationship with God should be based on love. Love for God alone leads to bliss. Spiritual vibrations come out of a heart full of love for God. Such love makes one rejoice always and under all circumstances.”
