Bhagawan Sri Sathya Sai Baba's 92nd Birthday Celebrations*

“Love is Life, Live in Love”

● Thursday, 23rd November 2017, Kobe ●

“Love is life for man and love is everything in this world. But man, not being able to comprehend the significance of love attributes physical relationship to it. The love of a mother towards her child is affection. The love that exists between wife and husband is infatuation. The love that exists among friends and relations is attachment. The love towards material objects is desire. Love in totality, directed towards God is known as devotion.”

– Sri Sathya Sai Baba
