“Expansion of Love – Live in Love”

“Having been born in this vast universe, it is a matter of great shame that man should have a narrow mind. This universe is the form of God. As God is immanent in everyone, one’s heart should be as expansive as the universe itself. Since people today have forgotten God and are enmeshed in worldly life, they have become narrow-minded. If one contemplates on all-pervasive God, the mind will also become broad and expansive. In this way, people should broaden their heart.”

-Sri Sathya Sai Baba
